**Bachelor of Engineering (Information Science Engineering)** in SSIT College, Tumkur. **Dec/2020-May/2024**  
**CGPA: 7.31**

**PUC** in SBR Composite PU College of Science, Gulbarga, Karnataka. **May/2018-March/2020**  
**Percentage: 77.67%**

**SSLC** in SBR Public, Gulbarga, Karnataka **Jun/2017-Apr/2018**  
**Percentage: 84.48%**

## PROJECTS

---

### Multipurpose Smart Hand Glove for Physically Challenged People.

The Multipurpose Smart Hand Glove powered by Arduino Uno is a wearable device designed to assist physically challenged individuals in performing daily tasks, communicating. It uses flex sensors for gesture recognition to control devices, an accelerometer. Bluetooth connectivity enables wireless communication. The glove is powered by a rechargeable battery and integrates seamlessly into smart environments, offering enhanced functionality, mobility, and safety for users.

### College Library Website.

Developed a responsive e-commerce website replicating core functionalities using HTML, CSS, and JavaScript. It typically includes a searchable catalog of books, journals, and digital resources, along with features for reserving or renewing item. Users can access e-books.

### Restaurant Management System.

Developed a comprehensive Restaurant Management System using HTML,CSS,JavaScript and Database:MySQL/MongoDB, to streamline operations like managing orders, reservations, billing. The system allows staff to take orders efficiently and generate detailed reports on sales and performance. The system enhanced operational efficiency and reduced wait times.

## SKILLS

---

### Technical Skills:

- 1.Core Java: Strong knowledge on Oops concept, Exception handling, Multithreading, Collection Frameworks.
- 2.Web technologies: Strong knowledge on HTML5, CSS3, JavaScript (ES6), DOM, BOM and JSON.
- 3.SQL: Strong knowledge on DBMS, RDBMS, DDL, DML, DCL, DQL, TCL, Sub Queries, Joins.

**Frameworks/Libraries:** Strong knowledge on JDBC, Hibernate, Servlets.

**Software Tools:** Windows OS, Microsoft Office, Notepad, Edit plus, VS Code, Eclipse (Java EE), MYSQL Workbench, Git.

**Soft skills:** Teamwork and Collaboration, Critical Thinking, Organization and Time Management.
